Regular & Bonus Pay Legacy Money Tree (LMT)

Explanation	Example
Pay is \$20 for referral number 1, 2, 3, 4, and 5.	Dez refers 5 new LMT paid clients from in January. $5 \times \$20 = \100 total for January paid on February 2.
At referral number 6, you reach the Blue tier. The Blue tier pays \$25 per referral.	Cam refers 8 new LMT paid clients from in January. $8 \times \$25 = \200 total for January paid on February 2.
At referral number 16, you reach the Platinum tier. The platinum tier pays \$30 per referral.	Brian refers 16 new LMT paid clients in January. $16 \times \$30 = \480 total for January paid on February 2.
Prior to receiving \$600 of total annual pay <u>you must complete W9 paperwork.</u>	Bella refers 30 new LMT paid clients in January. $30 \times \$30 = \900 total for January paid on February 2. *Bella must complete a W9 if she has not already done so.
At referral number 31 of any given month there is a <u>\$70 bonus</u>	Ashley refers 35 new LMT paid clients in January. $35 \times \$30 = \1050 $1050 + \$70 = \1120 total for January paid on February 2. *Ashley must complete a W9 if she has not already done so.

Residual Pay Examples

<p>\$20 Residual Referrals are paid <u>the month following the LMT paid clients monthly renewal payment.</u></p> <p>(On the first of the third month of LMT service, you will be paid the residual payment for the 2nd month of LMT service.)</p>	<p>13 of Brian's 16 January referrals pay for their 2nd month in February.</p> <p>13 x 20 = \$260 residual pay on March 2</p> <p>Brian refers 16 new LMT paid clients in February.</p> <p>16 x \$30 = \$480</p> <p>Brian's total February pay paid on March 2 is \$260 + \$480 = \$740</p> <p>*Brian must complete a W9 if he has not already done so.</p>
<p>\$20 Residual Referrals + new referrals pay + new bonus pay</p>	<p>32 of Ashley's 35 Jan. referrals pay for their 2nd month in February.</p> <p>32 x 20 = \$640 residual pay on March 2</p> <p>Ashley refers 31 new LMT paid clients in February.</p> <p>(31 x \$30) + \$70 = \$1,000</p> <p>Ashley's total February pay paid on March 2 is \$640 + \$1,000 = \$1640</p>
<p>\$20 monthly Residual Referrals continue until the referral is no longer paying for our services</p> <p>(If they stop service, residual pay <u>will not be paid</u> any further even they start receiving services again.)</p>	<p>15 of Brian's 16 Jan. referrals pay for their 3rd month in March. (2 of them restarted service) so 13 will be paid.</p> <p>14 of Brian's 16. Feb referrals pay for their 2nd month in March.</p> <p>(13 + 14) x \$20 = \$540 residual pay on April 2</p> <p>Brian refers 16 new LMT paid clients in March.</p> <p>16 x \$30 = \$480</p> <p>Brian's total March pay paid on April 2 is \$540 + \$480 = \$1020</p>
<p>\$20 monthly Residual Referrals continue until the referral is no longer paying for our services</p> <p>(If they stop service, residual pay <u>will not be paid</u> any further even they start receiving services again.)</p>	<p>30 of Ashley's 35 Jan. referrals pay for their 3rd month in March. 30 of Ashley's 30 Feb referrals pay for their 2nd month in March.</p> <p>(30 + 30) x \$20 = \$1200 residual pay on April 2</p> <p>Ashley refers 31 new LMT paid clients in March.</p> <p>(31 x \$30) + \$70 = \$1,000</p> <p>Ashley's total March pay paid on April 2 is \$1,200 + \$1,000 = \$2,200</p>
