

How the Legacy Money Tree Affiliate Partner Program Works

Thank you for your interest in becoming an affiliate partner!

Since we launched Legacy Money Tree on July 20th of 2020, numerous people have created accounts and achieved success at achieving their next level dreams. Higher credit scores are the key to new homes, new vehicles, better interest rates, better insurance rates, and even better jobs/promotions. Of course, when you experience this kind of success you are eager to share it with others.

Legacy Money Tree is offering an affiliate plan that creates passive income streams for existing customers, thought leaders and trendsetters like you.

When you refer a client who signs up for credit repair, you will be compensated each month they remain a paying client, until they stop or pause their credit repair.

Signing up is simple!

To sign up, please complete your information at:

<https://www.legacymoneytree.com/partner/>

Referring clients is even simpler!

To start being paid for referring paying clients, you or your referral needs to make sure to enter your name when completing the referral form here:

<https://www.legacymoneytree.com/refer/>

The process is simple. When someone completes their enrollment and pays for their first month of service, we'll pay you a one-time commission of \$20, \$25, or \$30 depending on how many referrals you have sent for the calendar month. All the details are included in the affiliate compensation guide.

We will reach out to you for you to provide your information for receiving payments.

If you have any questions, please contact me. We look forward to having you on our team.

Thank you,

Tristan Boyd
Co-Owner & Marketing Manager

Ashley Boyd
Co-Owner & Dispute Specialist
